

HEAVY DUTY/HIGH CAPACITY BRUSH HANDLING GRAPPLE

EASILY HANDLE LARGE LOADS WITH A WHEEL LOADER.

MAXIMUM MATERIAL HANDLING

Rockland Heavy-Duty/High-Capacity Brush Grapples are perfect for handling brush, logging debris, trash, and other sizable material with a wheel loader. The brush grapple's dual cylinder design provides tremendous gripping power to hold bulky loads in place.

The Rockland Heavy-Duty/High-Capacity Brush Grapple features a tough, rugged design made to handle your application. With a Rockland Brush Grapple, you can carry a maximum amount of material every pass - reducing fuel cost and cutting down on machine wear and tear.

Specifications*
