

# HEAVY DUTY ROCK BUCKETS

***DESIGNED TO PRODUCE • BUILT TO LAST***

## **Why choose a Rockland Heavy Duty Rock Bucket?**

- *Proven in the harshest applications around the world*
- *The industry's only lifetime warranty*
- *Purpose-built to suit your application*
- *Best in class service and support*

**HDV SPADE NOSE BUCKET WITH TEETH, SEGEMENTS, AND VERTICAL WEAR SHROUDS**

## **Our Commitment to You**

Rockland Manufacturing has been producing rock buckets for over half a century. We were the first, and continue to be the only, company to offer a lifetime warranty. Our promise of exceptional service and support is continuously recognized by customers around the globe.

Where other competitors use lower grade steels to cut costs, Rockland uses only top quality steel from reliable manufacturers. This means you stay working longer with increased production and decreased downtime. When your livelihood depends on it, make sure you specify a quality bucket from Rockland.

-  Teeth & Segments or bolt-on cutting edges of your choice
-  AR400 Abrasion Resistant steel:  
Superior resistance against wear & impact
-  A514 High Strength alloy steel:  
Higher strength & increase wear resistance
-  A572: High Strength, low alloy structural steel:  
Superior yield & tensile strength compared to A36 steel used by other manufacturers
