

TWO-PASS BUCKET

LOAD TRUCKS TO FULL CAPACITY IN JUST TWO PASSES!

STANDARD STYLE

REDUCE FUEL COSTS AND INCREASE LOADING EFFICIENCY!

- High Strength design keeps bucket weight low, allowing more payload with every pass. Over 25% lighter weight than similar competitor buckets
- Curved sidecutter profile promotes material retention
- Choose the Standard configuration or add the Aggregate Wear package to maximize longevity and minimize maintenance and rebuild costs
- Backed by our no-nonsense 2 year, 4,000 hour warranty
